"Still Too Soon To Know"

Do you love him, or is it still soon to know
When I think back a couple of days
Before I found you in his spell
Was there a warning
What can I say
Should I look away
It's still too soon to know

Are you sorry, or is it still to soon to know
It didn't take much to break us in two
For it was in the way that he came close to touching you
The look in your eyes-- I thought I recognized
It's still too soon to know

And it's still to soon to know
Will you stay or will you go
It's still too soon to know

When I think back a couple of days
If I wasn't happy then, I never will be
I wonder was this ignorance or bliss
It's still too soon to know
