[Here comes our song especially designed for your in the woods parties]

This is the last crusade  
One by one they will fall in blood  
May all they die, don't give a fuck  
Hate and sacrifice

Drugs and war  
Terror crew domination  
You are slaves  
We don't care about the scene  
We don't care about your teenage shit

You are slaves  
Underground fashion-victims  
Worship your Satan-TV-thing  
And piss off  
You underage porn-addicts

We don't care about the scene  
We don't care about your teenage shit  
Kommando Sechsendneunzig

A smile enlightens my sexy lips  
Each time I humiliate you  
Now the attack must begin  
Bunch of weaks, prepare for fight  
Pray your Satan, need some help  
The Count shall make you face the pain

Kommando Sechsendneunzig  
Forever stinker and ugly bitch  
Kommando Sechsendneunzig  
Against your world, against your trends  
Kommando Sechsendneunzig

This is the last crusade  
One by one they will fall in blood  
May all they die, I don't give a fuck  
Hate and sacrifice

Drugs and war  
Terror crew domination  
You are slaves  
We don't care about the scene  
We don't care about your teenage shit

Kommando Sechsendneunzig

This is the last crusade  
One by one they will fall in blood  
May all they die, I don't give a fuck  
Hate and sacrifice

Drugs and war  
Terror crew domination  
You are slaves  
We don't care about the scene  
We don't care about your shit
