[Terminator Lestat is marching on]

Don't fear the hunter, reaper of the night
Bastard of God, delivered in blood
Grew up in hatred, was fed with human feces

Bloodsucker - Hunter - Reaper
Bloodsucker - Scapegoat - Terrorist

My glory : murder in the first degree

Nos Feratos Kanda - Nosferat - Necurat

Nos feratos Kanda

Lord Kaiser Nosferat
Lord Kaiser Nosferat

Nos Feratos Kanda - Nosferat - Necurat
Nos Feratos Kanda - Fuck you, who's laughing now ?
Night comes down - My clan's nation
Nos feratos Kanda

I'll do m
