I feel something inside me wants to break free
I feel something inside me needs to change
I can't be living this way for too much longer
I feel I just can't be living this way

Breakdown
Breakdown again
Breakdown
Another Breakdown my friend

I want to live everyday with my head held high
I want to live everyday without the pain
I can't be walking around without a purpose
I need to put everything back into place

Breakdown
Breakdown again
Breakdown
Another Breakdown my friend

If there is no tomorrow
then why live for today
but if you want to help me
then I'll be on my way

Breakdown
Breakdown again
Breakdown
Another Breakdown my friend
