Yes you're suitably at one with your body and the sun  
Yes - you - are-are  
You've read Karl Marx and you've taught yourself to  
dance  
You're the - best - by - far-ar  
But you keep asking the question  
One you're not supposed to mention, hey-yay-ay

When will I, will I be famous  
(I can't answer, I can't answer that)  
When will I see my picture in the paper  
(I can't answer, I can't answer that)  
When will I, will I be famous  
You keep asking me ba-abe

You're a slave to fashion and your life is full of passion  
It's the - way - you - are-are  
You've suffered for your art with the jogging in the park  
You know you - should -go - far-ar  
But you keep asking the question  
One you're not supposed to mention, yay-ay-yeah-eah

When will I, will I be famous  
(I can't answer, I can't answer that)  
When will I see my picture in the paper  
(I can't answer, I can't answer that)  
When will I, will I be famous  
You keep asking me ba-abe  
I can't wai-ait

I can't answer your question  
It's drivin' me insa-ane  
And your impossible impatience  
Tear-earing at my brain

(When will I, when will I)  
When will I, will I

When will I, will I be famous  
(I can't answer, ooh, I can't answer that)  
When will I see my picture in the paper

(I can't answer, I can't answer that)
