What a miracle is life
The fields are high and fruit is ripe
So hold out your hands
Yeah, hold out your hands
And you're the same as me
You breathe the air I breathe
And we don't understand
Yeah, we don't understand
And if you don't ask questions you don't know why
So say a prayer for the dying while there's still
time, so
Pray for good and pray for love
Pray for peace and pray it's enough
Pray for salvation
Pray that we right
Pray for one day we open our eyes, and
Pray for then and pray for us
Pray one day we can live as one
Pray for the children whose time is to come
Just pray they forgive us for the stupid things we've
done
We all see the same sun
Each day the golden praise is sung
To the wonder of man
Yeah, the wonder of man
And when we look why can't we see
All riches that are free
Oh we don't understand
Yeah, we don't understand
And if you don't ask questions you don't know why
So say a prayer for the dying while there's still
time, so
Pray for good and pray for love
Pray for peace and pray it's enough
Pray for salvation
Pray that we're right
Pray for one day we open our eyes, and
Pray for them and pray for us
Pray one day we can live as one
Pray for the children whose time is to come

Just pray them forgive us for the stupid things we've
done
