Female:

I don't have to say a word to you
you seem to know what every mood I'm going through
Feel as though I've known you forever.

Male:

You can look into my eyes and see
The way I feel and the world is treating me
maybe I have known you forever

Refrein:

Amigos para siempre means you'll always be my friend
Amigos para siempre means a love that cannot end
Friends for Life not just a summer or a spring,
Amigos para siempre.

I feel you near me even when we are apart.
Just knowing you are in this world can warm my heart.
Friends for life not just a summer or a spring
Amigos para siempre.

Female:

We share memories I won't forget and we'll share more
my friend
We haven't started yet, something happens when we're
together

Male:

When I look at you I wonder why

There has to come a time when we must say goodbye

I'm alive when we are together

Refrein(Herhaling)

When I look at you I wonder why

there has to come a time when we must say goodbye
