"Big Baby"

You crashed into me when I was 17,
Nobody told me girls could be so mean,
Or mean so much to me,
Found out the hard way,
It's always the hard way with me,

'Cause I'm a big baby,
'Cause girl that's what you made me,
Wah wah wah,
Wah wah wah,

Yeah, it could of been worse,
But that does not lift the curse,
I wouldn't wish love like this on anyone,
All the love songs in the world,
Couldn't pull me out of this,

'Cause I'm a big baby,
'Cause girl that's what you made me,
Wah wah wah,
Wah wah wah,

Wah wah wah,

I'm a big baby,
'Cause girl that's what you made me,
Wah wah wah,
Wah wah wah,
