See me round the corner Im waitin
for my time to come.
Cuz everything up to now has come undone.
I dont wanna be here.
If I couldnt see her.
Everyday Im alone.
I got sick of waitin.
Life is complicated.
And I question it all.

Could you help beleive?
Because I cant even speak.
For sure I just turned around.
This time Im changing it all.

From now on I wanna change.
(nothing stays the same)
From now on I wanna change.
(You gotta rearrange)
From now on I wanna change.
(nothing stays the same)
Dont leave me this way.

See me round the corner Im waitin
for ???
But everything around the corner fucks my mind.
Soon youll see me smile.
Then youll see us ???
I know where I belong.
