Yahweh Lives

Verse 1:

Beyond the boundaries of time and place  
Deeper than pits of sin or fear  
Shines the light of a holy face  
We rise in praise as our King comes near

Pre-chorus:

You are higher than the reaches of man  
You are stronger than any kingdom on earth  
In great love You stretch out Your hand  
Redemption in the power of new birth

Chorus:

Yahweh Lives, our God reigns  
Forever and ever His Word the same  
Yahweh lives and He saves  
Eternal and true His love remains  
Yahweh lives, Yahweh lives

Bridge:

God of Abraham  
Revealed as great I Am  
The Spirit which is life  
The Word a shining light  
Emmanuel with us  
The Man Christ Jesus
