Verse 1:

All my fears; all my dreams  
My ambitions - I lay them all at Your feet  
Not my will, but Yours be done  
You're my Father and I'm Your son

Chorus:

Your will, O Lord, I've got to find  
Your will, O Lord, Your will, not mine  
Your will, O Lord, is all I seek  
Your will, O Lord, take all of me

Verse 2:

Take my life, Lord I pray  
Fill my heart; lead me all the way  
Not my will, but Yours be done  
You're my Father and I'm Your son

Descant:

I give my all to answer Your call  
Surrendering all; take full control  
I give my all to answer Your call  
O Lord, take all of me
