People try to keep me

try to hold me down

try to make my loss their gain

I just wanna live

I wanna be myself

and I don't want to live that way

You can't make me

You can't break me

I won't be brought down by your games

I will rise above my inner pain

You can't make me

Dedication

You can't break me

Determination

I won't be brought down by your games

Loyalty

I will rise above my inner pain

I will rise above my inner pain

People try to keep me

try to hold me down

try to make my loss their gain
