Lord im cryin, cause it hurts me, seeing all this sin
around me, Lord im cryin cause it hurts me, seeing all
this sin around me x2

I smear my heart on this paper, I pray it opens up eyes,
im bout to step on some toes, but im just tryna win
souls, I tried of hypocrite Christians, one minute this,
then they that, going to church on Sundays, but after
service there back, to lying, fighting, and cursing, man
they don't care bout the person, that's
watching their every move, they kill their witness its
true, put ya feelings on the shelf, im just telling the
truth, got our youth dying fast, cause we hiding the
truth, got sweet guys in the choir, lakisha kissing Maria,
we say the devils a liar, but chu a liar ya self, got free
will, decisions, we bring pain on our self, some of these
preachers aint preaching, but they be pimping for
wealth, A, they killing the sheep, leading them off to
their death, you gotta get in that word, you gotta learn
for yourself, even these rappers is Christians,
that's what they holla, when they get their award,
but they be missing the Holy Ghost, convincing these
kids to keep, listening

Lord im cryin, cause it hurts me, seeing all this sin
around me, Lord im cryin cause it hurts me, seeing all
this sin around me x2

So many use your name in vain, don't know how
close they are to the flames, they love the sin, they love
the game, cant even see the pain, they leaving behind,
these kids are dying, advertise, sex, drugs, money,
got em hypnotize, now they losing their mind, spend
more a sack, do you do on your kid, then you hop bed
to bed, and brag about what you did, im praying for the
hood, man its crazy, baby's having kids, every
corner liquor store raising our babies, we rather fight,
than work together, pride look what I did, instead of
putting it in God hands, and look what God did, it's
a war O my Lord gun and swords, flesh against the
spirit, spirit against the flesh going hard, man the

times ticking, man you living, and its written, you will
be judge on the good and the bad, you did while you
was living, so pay attention before you missing, man
you better grab that sword, and slice the enemy's
head off, before the enemy cock back, and bust yours

Lord im cryin, cause it hurts me, seeing all this sin
around me, Lord im cryin cause it hurts me, seeing all
this sin around me x2

Do not conform any longer to the pattern of this world,
but be transformed, by the renewing of your mind,
don't not love the world, or anything in the world, if
any one loves the world, the love of the father, is not in
~em, my grace is sufficient for you, my power made
perfect in weakness, 2nd Corinthians, I pray you read
this, I am the light of the world, who ever follows me,
will never walk in darkness but will have the light of life,
Christ is the only way for eternal life, you call ya self a
Christian, you gotta live it right, and if you living for this
world, I pray you see the light, the fight is not flesh and
blood be a living sacrifice, God knows my heart, I wait
til I get older, then give my life to Christ, and if there is
a God, then whys there some much evil, and I always
go to church on Easter, Christmas, with my peoples

Lord im cryin, cause it hurts me, seeing all this sin
around me, Lord im cryin cause it hurts me, seeing all
this sin around me x2
