Someone  
Someone  
Has an idea to push  
But will it be of use  
Someone  
Someone  
Has got some problems to share  
But will anybody care  
And bring it back where it once was  
But it makes no difference because  
Because  
Someone  
Someone  
Has lost the drift on whats real  
And wont be happy until  
Someone  
Someone  
Has had their damage to cause  
Thats stuck in the law  
Where is this gift that should be  
But it makes no difference to me  
To me  
Cuz  
One two three four  
I adore you  
One two three four  
I do  
One two three four  
I adore you  
One two three four  
I do  
I do  
No one  
No one  
Would act like this in their minds  
Unless they're crazy sometimes  
No one  
No one  
Of this age acted this way  
And thats all i have to say  
It wont repeat what once was

But it makes no difference because  
Because  
One two three four  
I adore you  
One two three four  
I do  
One two three four  
I adore you  
One two three four  
I do  
I do  
I dont care for someone so cold  
I have problems of my own  
If won't cost me any heart  
And to me its growing old  
Dont assume it should be  
Add intrusion to me  
To me  
One two three four  
I adore you  
One two three four  
I do  
One two three four  
I adore you  
one two three four  
I do  
I do  
do
