Fucking cops are everywhere
And i have no fucking fear
only thing they have to do is
harrass me for smokes and beer
Pabst Blue Ribbon, 211, whatever i got
Accussing me of being drunk
Even when i'm not

Chorus-(x2)
Fuck The Pigs
Fuck The Cops
Fuck You
BATMAN
Fuck The Pigs
Fuck The Cops
Fuck You
Oi Oi!

BATMANs fucking facist
the way he looks at me
he searches me all over
couldn't find a fuck-ing- thing
turns to the nearby bushes
starts rumaging through SHIT
nows my turn to jet
better run for it

Chorus (x2)
