walkin' down the street
drinkin' everynight
facist form of scum
lookin for a fight
kick them thin their face
i did it for fun
those pussys called the pigs
now its time to run

jumpin over fences
into backyards too
hiding in the dumpster
till the search is through
passout till the morning
take a look around
spend all day and night
drinking beer downtown

Chorus

if you're a facist fuck
step the fuck up
we're gonna slash you up
cause there's free beer for punx

if you're a facist fuck
step the fuck up
we're gonna slash you up
cause we're fucking drunk!
