She only smiles

He only tells her

that she's the flowers of wind and spring

In all her splendor sweetly surrendering

The love that innocence bring

**

Almaz, pure and simple

Born in a world where love survives

Now men will want her

'Cause life don't haunt her

Almaz, You lucky lucky thing

Now I watch closely

And I watch wholly

I can't imagine love so rare

She's young and tender

But will life bend her

I look around is she everywhere

** repeat

He throws her kisses

She shares his wishes

I'm sure he's keen without a doubt

With love so captive

So solely captive

I ask if I could play the part

** repeat

Almaz, You lucky lucky thing

Almaz, You lucky lucky thing
