[Chorus - 4x]

I'm on that other shit, spitting for my brother shit  
Hardcore gutter shit, duct tape and some other shit

[H.A.W.K.]

I'm on that other shit, that duct tape and some other  
shit  
That sex with no rubber shit, that fuck but don't love her  
shit  
I'm on that other shit man, you feel what I'm sayin  
I'll push you to next land, the same color as sand  
I'm on that other shit, I'm in Sean John like Puff  
I spit rugged and rough, so don't call my bluff  
Yo flow is cream puff, it ain't hard enough  
Continue to huff and puff, and I'm gon show my stuff  
I'm on that other shit, the flow is ferocious  
Super-cali-fragi-listic-expi-ali-docious  
More cream than Hostess, won't lose my focus  
Why you screaming paid, and you know you the  
brokest  
I'm on that other shit, yeah I done changed labels  
Same horse, different stable, putting food on the table  
In this camp I'm champ, I hit a big up amp  
I spit shit that claps, and gives the track a cramp

[Chorus - 4x]

[H.A.W.K.]

Like Ja I rule, plus I'm so old school  
I'm already on fire, and you gon add to the fuel  
All the bitches drool, when I'm pulling up  
The Cadillac truck, roof popped up sitting on dubs  
I'm not giving a fuck, the lot done shut down  
And my rims 23 inches, off the ground  
Lyrically I clown, using verbs and nouns  
And pound for pound, H.A.W.K. is the best around  
I'm on that other shit, I'm cold blooded and raw  
One swing's break jaw, have you eating out a straw  
Dead End outlaw, trick tracks like hoes law  
The best you ever saw, at your ma and pa  
I'm on that other shit, forfilling a ghetto dream

It's in my bloodstream, I must reign supreme  
I make rappers sing, and lower they self esteem  
I spit hotter than steam, and not need a king  
I'm on that other shit, if I'm lying, I'm dying  
I pull out that iron, and commits the fine  
I'm on that other shit, been thuggin' since my youth  
My lifestyle is proof, that I am the truth

[Chorus - 4x]

[H.A.W.K.]

I'm on that other shit, cause I'm throwed with wordplay  
Like Jordan's fade away, its any time any day  
Most people say, that they my prodigy  
And try to pull tre, the H-A-W-K  
I try to break away, like Kuta Kinte  
My bullets they ricochet, mayday, mayday  
I'm on that other shit, so don't try to mock me  
I'm 6"4 and stocky, my attitude is cocky  
Most niggas jock me, but that doesn't shock me  
My heart's bigger than Rocky, and they flow is sloppy  
I'm on that other shit, I refuse to lose  
Been used and abused, but still paid my dues  
I'm on that other shit, that shish burn, deep cover shit  
That bring tears to your mother shit  
That in the Benz burning rubber shit  
That Mel Gibson, Danny Glover shit  
I'm on that other shit

[Chorus - 4x]
