Today is the day  
There is no other day  
Except for today

Old Man Death took his last breath  
Goin' down to the Heckhole  
Jumped right in, shed his own skin  
And came back out a knothole

Automatic Slim was shootin' it again  
Got the whole town to jumpin'  
When Eris leaped in, put him in a spin  
Now the whole town is fuckin'

Old Maid Sally was waitin' in the Valley  
For a knight of shining armor  
Packed it all in for a big boy's spin  
She don't have to wait no longer

I got the dogs outta my head  
I got the snakes were crawlin' under my bed  
I got the eyes turnin' to desire  
Got 19 heads and a soul full o' fire

Cowboy Bill took a great spill  
When he fell off his horsie  
Brion smoked in, took away his sin  
Now Bill commands the forces

I got the walls outta my head  
I got the screechin' outta my bed  
I got the tongues in liquid fire  
Got 23 ways that will inspire

Cat on a hot tin is cavin' my roof in

I was born in the heat of a deep recline  
Couldn't get in from out the inside

Old Man Death took his last breath  
Goin' down to the Heckhole

Jumped right in, shed his own skin  
And came back out a knothole (and you can too)
