Written by Robert Cray and Dennis Walker

Oh, I was warned about her love

But like a fool I went on

Whether they're right or wrong

At least the mystery is gone

The more people talked about her

The more I had to see

I had to find out for myself

What could she do for me

Her lips were so inviting

Her hands soft to touch

After just one kiss

I knew I was out of luck

From then on I was hers to control

And knowing that, she robbed me

Of my heart and robbed me of my soul

Oh I was warned about her love

And I'll have to stay strong

Whether they're right or wrong

At least the mystery is gone

From then on I was hers to control

And knowing that she robbed me of my heart

And robbed me of my soul, yeah

Oh I was warned about her love

But like a fool I went on

Whether they're right or wrong

At least the mystery is gone

She had a left hand filled with diamonds

And the other filled with lies

She saw right through me

There was no p[lace to hide

Now I've finally learned my lesson

But you'll never tell

the pain her love left me

I hide so well

I go on day by day in fear

And knowing that I'll never, never love again

Only brings tears

Oh I was warned about her love

And I'll have to stay strong

Whether they're right or they're wrong

At least the mystery is gone

Whether they're right or wrong

At least the mystery is gone

I was warned about her love
