Way cool gator shoes
I'm wearing cool gator shoes
Well cool man cool alligator shoes
Well the hide is from a Louisiana gator
Made into shoes a few weeks later
Put 'em on and start to bop
Flip my lit and blow my top
I don't need no blue suede shoes
I got a pair of alligator shoes
Cool gator shoes
I'm wearing cool gator shoes
Well cool man cool alligator shoes

When I got the bread, I buy the shoes
I'd be the cat that's in the news
When I'm walking down the street
People staring at my feet
I don't need no pointed shoes
I got a pair of alligator shoes
Cool gator shoes
I'm wearing cool gator shoes
Well cool man cool alligator shoes

Well Saturday night, we go out to dance
All the cats ain't got a chance
All the chicks are blowing a fuse
Crazy 'bout my crazy shoes
I don't need no two-tone shoes
I got a pair of alligator shoes
Cool gator shoes
I'm wearing cool gator shoes
Well cool man cool alligator shoes
