Well, rock pretty baby, we're gonna rock tonight  
Well, rock pretty baby, we're gonna rock tonight  
When we start rockin', you know we do alright

[Chorus]

Bop, bop, bop, pretty baby-baby  
Bop, bop, bop, pretty baby-baby  
Bop, bop, bop, pretty baby-baby  
Bop, bop, bop, pretty baby-baby  
Bop, bop, we're gonna bop tonight

Going down the road in a cadillac  
I find this little girl sittin' in my back  
Gonna bop pretty baby, we're gonna rock tonight  
When we start rockin', you know we do alright

[Chorus]

We'll learn to dance, saturdaynight  
All alone, hold me tight  
Gonna rock pretty baby, we're gonna rock tonight  
When we start rockin', you know we do alright

[Chorus]
