Bitterness fills my cup.

[Bobby]

I'm sorry you brought that up.

Once I thought I'd search around

For the little church around

The corner, but now I see.

[Both]

It never was meant to be.

[Zangler]

Once she used to praise me.

[Bobby]

Why is she so high hat?

[Zangler]

Boy, does she amaze me.

[Both]

Tell me what causes that?!

[Bobby]

When I'm away from her I start despairing.

[Zangler]

You ought to know by now what causes that!

I'm growing balder from the hair I'm tearing.

[Bobby]

You ought to know by now what causes that!

When she keeps on brushing you aside

Oh gosh, you're all at sea!

You go contemplating suicide --

It's much too much for me!

You're not so dumb that you don't know the answer.

Loving her is what causes that!

[Zangler]

If I should climb the Brooklyn Bridge and jump off.

[Bobby]

Oh, I suppose you'd ask what causes that?

If I should get a gun and bump this chump off.

[Zangler]

Oh, I suppose you'd ask what causes that?

[Both]

Really you don't have to mope around

And burn up as you do,

There's a cannon and rope around,

There's lots of poison too!

I'm very blue of late and there's a reason:

[Zangler]

Loving her...

[Bobby]

Loving her...

[Both]

Is what causes that!

I'm very blue of late and there's a reason:

Loving her is what causes that!

...Is what causes that!

...Is what causes that!

...Is what causes that!
