Buckle and grind
Your bubbling mind
Can't shut it down
It keeps running around
No friend of mine
You are no friend of mine
Well you know we could've gone far
I'm the one left alarmed
Tumbling blind
Double turbine
How long consciousness
Disembodied wreckage
I'm paralysed
With no friend of mine
Well you know you wear
Well you know you tear
Buckle and grind
Your bubbling mind
Can't shut it down
A life it has found
Want calm want friend want end
Wanna armageddon
For
Tumbling blind
Trouble in mind
Can't shut it down
It keeps running around
I wanna know i wasn't there
I wanna hear
Is there anybody out there
Limbs over there
They're not mine
They're not mine
Buckle and grind
With your bubbling mind
Trouble
You're in trouble
