(The money's still long, just livin lavish)

[ VERSE 1: Richie Rich ]

What is the meaning of lavish? Yo, I started with a single

My album's out, so now it's time for me to mingle

Well, 'lavish' to me is like mail, straight up

So all you hungry muthafuckas pick a plate up

Cause I'm about to feed you some dope shit

And I'ma sit and sit and sit until it's bit

I'm tired of the muthafuckin hype

About the black brothers gotta be a stereotype

You see, lavish is a one-way ticket

And on the back is boldly stamped: 'It's time to kick it'

Me, D-Loc, DJ Daryl and Young Tone

We put some shit together for the microphone

And it's lavish

( \*DJ Daryl cuts up\* )

(Takes money to survive)

[ VERSE 2: Richie Rich ]

What is the meaning of lavish? Yo, despite the perpendicular

Rap is my sport and on girls I'm real particular

Lovin the tour shot when the fellas get to bumpin hoes

City to city in the motels be pumpin those

I ain't sweatin that, that ain't lavish

Because back in the days we used to have this

Lavish to me is watchin girls all plex

Niggas get to trippin cause I work Rolex

I gives a fuck about a nigga and a punk-ass bitch

I'm with the 415, my name is Young Richie Rich

Just a fresh young brother, no preservatives added

And that's Double R's definition of lavish

( \*DJ Daryl cuts up\* )

(The money still love, still livin lavish)

(Takes money to survive)

[ VERSE 3: Tone ]

Rich, let me describe the motive of a player  
But first I gotta relax my feet and smoke a tailor  
Cause I'm about to spit it straight from the set  
Give it to em all as lavish as lavish can get  
First topic is monetary  
Can you handle cash? The test is kinda scary  
Cause I'm the kind of brother who has to have it lavish  
Bitches on my tip, just wish you could have this  
First off, check it, I'll describe a trap  
Down on the west side where the fresh get frap  
Boomin-ass hot thub  
With a bowl, all the bitches singin the rubadubdub  
Caviar, wine with a cracker  
And if you're pickin too hard it'll distract ya

Rolls Royce, dip into freestyle  
And to the hoes on the set you know I'm drivin em wild  
With the high-power Zeus and the ???? boost  
Gold Rolex watches and money to boot  
We keep flowin and flowin and keep showin, you know  
it  
415's on the set, it's to the top where we're goin  
And it don't stop, because the hoes still jock  
And yes, players like us are still em non-stop  
DJ D in the back makin em wish that they could have  
this  
That's Tonio's definition of lavish

[ VERSE 4: DJ Daryl ]

What is the meaning of lavish? Yo, comin from the DJ  
It's goin on tour and turntables do what I say  
Spinnin and cuttin and get royalty checks  
And watchin the 415 snap necks  
See, I spin for a livin, but now I get paid  
And see they girls say that Daryl wears a high-top fade  
We're goin coast to coast, from L.A. to Miami  
I'm gettin a tux cold fitted for the Grammy's  
As a DJ, man look, I gotta spin it  
Hook up a beat, enter a contest, win it  
We're a rap group, we're hittin harder than the Beatles  
But my only prime: I keep tearin up needles  
When the record makes a funny sound I just grab it  
And that's DJ Daryl's definition of lavish

( \*DJ Daryl cuts up\* )

(For those that don't know: mail means money)

[ VERSE 5: D-Loc ]

Lavish to D is livin life with ease  
Straight loungin - while my money work for me  
And if the flow gets low, no sweat on mine

I just pull out the pen and put my name on the dotted  
line  
You got a problem, the Locster can solve it  
Your money well is dry, mines flow like water  
I never have to worry about shit  
I ain't livin large, nigga, I'm livin lavish  
Home in the hills, my own windmill  
Satellite dish for the late nite tip  
Freaknasty for every day of the weak  
I make a nigga stand guard when I'm feelin kinda  
sleepy  
Everywhere I go people know the name  
I'm in the top rank because of money and fame  
Yeah, that's how I'm livin in this world of madness  
And that's D-Loc's definition of lavish

( \*DJ Daryl cuts up\* )  
(Just livin lavish)
