I keep looking for something I can't get

Broken hearts lie all around me,

and I don't see an easy way out of this

Her diary, it sits on the bedside table

The curtains are closed, the cat's in the cradle

Who would've thought that a boy like me could come to this.

CHORUS: Oh, I just died in your arms tonight

It must've been something you said,

I just died in your arms tonight

Oh, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away, I should've walked away.

Is there any just cause for feeling like this

On the surface I'm a name on a list

I try to be discreet, but then blow it again.

I've lost and found, it's my final mistake.

She's loving by proxy, no give and all take

'Cause I've been thrilled to fantasy one too many times.

CHORUS

It was a long hot night

She made it easy, she made it feel right

But now it's over, the moment is gone

I followed my hands, not my head,

I know I was wrong.

CHORUS
