"The Last Thing"

i won't wait for you, i won't wait for you
in the morning
'cause the last thing that i want
is to see you cry
and i won't ask of you, and i won't ask of you
no secrets
'cause i don't want to be the one
to see you cry
help me mama, help me mama
through these things i feel
help me father, help me father
through these things i feel
so i can believe...
so i won't shelter you, i won't shelter you
in the morning
'cause the last thing that i want
is to see you cry
help me mama, help me mama
through these things i feel
help me father, help me father
through these things i feel

so i can believe...

so i won't give to you, i won't give to you

forgiveness

'cause the last thing that i want

is to see you cry

no the last thing that i want

is to see you cry

no the last thing that i want

is to see you cry
