Said the straight man to the late man

Where have you been

I've been here and I've been there

And I've been in between.

I talk to the wind

My words are all carried away

I talk to the wind

The wind does not hear

The wind cannot hear.

I'm on the outside looking inside

What do I see

Much confusion, disillusion

All around me.

You don't possess me

Don't impress me

Just upset my mind

Can't instruct me or conduct me

Just use up my time

I talk to the wind

My words are all carried away

I talk to the wind

The wind does not hear

The wind cannot hear
