Say Girls

The thing right here is letting all you boys know

What the other boys talk about

ooh that package of yours gives me chills

Check it out

ooh thos shorts make my heart go boom

i can see you pearce from across the room

i'm glad i wore some kinda loose

i'd like to hitch you engine to my caboose

if that thong was tighter you'd pop a string

Stuttin down the beach you go misthing

gotta bulg up front makin me go swing

like you're smuggling a burrito

he had a cap so throd, throd, throd

a lincoln long, long, long

wanna polish that now, now, now

think i'll say it again

he had a cap so throd, throd, throd

wanna polish that now, now, now

sure is long

let me see that schlong

love when the meat go ooh aww

make your bolonga go ooh aww

wanna help you make it grow

that dong da dong dong dong

love when the meat go ooh aww

make your bolonga go ooh aww

wanna help you make it grow

that dong da dong dong dong

baby those chaps make you look so butch

wanna grap that stick and pop your clutch

put you over my knee like a nauty boy

twist your key like a wind up toy

wanna make your salmon swim up my stream

mix your coffe with a little cream

pick you first for my softball team

cause you got your very own lousville slugger

he had a cap so throd, throd, throd

a lincoln long, long, long

wanna polish that now, now, now

think i'll say it again

he had a cap so throd, throd, throd
wanna polish that now, now, now
sure is long
let me see that schlong
love when the meat go ooh aww
make your bolonga go ooh aww
wanna help you make it grow
that dong da dong dong dong
love when the meat go ooh aww
make your bolonga go ooh aww
wanna help you make it grow
that dong da dong dong dong
let me see that schlong
