I was born to sing a good-time song
Nothing used to bring me down
'Til the day I fell in love with you
And baby that's the day I found

You had got me singing the blues
Singin' the blues
You know a good-time man like me
Ain't got no business singin' the blues

Go on, woman, get out of here
You know I don't wanna see your face
'Cause the things you're doin' to this boy's heart
Is just an absolute disgrace

You had got me singing the blues
Singin' the blues
You know a good-time man like me
Ain't got no business singin' the blues

Never gonna fall in love again
You know I learned my lesson well
Played the game of love and lost my heart
You can believe me when I tell you that I'm

You had got me singing the blues
Singin' the blues
You know a good-time man like me
Ain't got no business singin' the blues
