Written by - Maury Muehleisen

Where there is a dream there is a hope for you

Where there is a love there is a way

Coming from the edges of the night to you

Coming from the edges of your day

Waiting in all your towers, keeping all my flowers

If you need me come close now and receive me

While there is a moment there is a time for you

Even though your time is far away

Deep within the night I send my love to you

Reaching for the edges of your day

Spending all my hours, dreaming of your towers

If you need me come close now and receive me
