Which way are you goin'

Which side will you be on

Will you stand and watch while all the seeds of Cain are
sown

Will you stand with those who say that His will be done

One hand on the Bible, one hand on the gun

One hand on the Bible, one hand on the gun

Which way are you looking?

Is it hard to see

Do you say what's wrong for him is not wrong for me

You walk the streets of righteousness

But you refuse to understand

You say you love the baby, but then you crucify the man

You say you love the baby, but then you crucify the man

Chorus:

Everyday things are changin'

Words once honored turn to lies

People wonderin' can you blame them

It's too far to run and too late to hide

Now you turn your back on all the things that you used
to preach

Now it's let him live in freedom if he lives like me

Well your line has changed, confusion rings

What have you become

Your olive branches turn to spears when your flowers
turn to guns

Your olive branches turn to spears when your flowers
turn to guns
