Oh, it's K Young  
Shorty you've got skills  
The way your body's movin  
Let me keep it real  
Ima show you how to do it  
Baby when I'm through  
You gone know about the finest things  
Push the 6 out push the thing  
Iced out watch and a pinky ring, woohooo

Baby girl come on with me  
Cause we gettin to party in the VIP  
Lay your body all over me  
Gettin' Loose, take a little dose of me  
I done heard about your reputation  
Baby dont you keep it waitin  
I wanna get for you  
The little things you do  
you got abut to proof it  
Baby you're so bad  
and thats what I like  
I wanna get you home tonight  
I give you all I am  
Girl the way you movin  
You know I'ma get you, right  
Baby your so bad  
But you workin it  
Turn a act on hard to get  
Girl youre so scandalous  
But I know I can handle it  
Baby Your So Bad

Let's get comfortable  
Keep back, relax, enjoy it  
And just take control  
Aint a damn thing that us bother  
Youre so wonderful  
To be all ? with you  
Girl there ain't no sense in waitin  
You know what we came to do

Baby girl come on with me  
Cause we gettin to party in the VIP  
Lay your body all over me  
Gettin' Loose, take a little dose of me  
I done heard about your reputation  
Baby dont you keep it waitin  
I wanna get for you  
The little things you do  
you got abut to proof it  
Baby you're so bad  
and thats what I like  
I wanna get you home tonight  
I give you all I am  
Girl the way you movin  
You know I'ma get you, right  
Baby your so bad  
But you workin it

Baby Your So Bad

Crooked I

Baby you're so bad it hurts my heart  
Good job god, shes a work of art  
I observe your mini skirt  
swerve and park my flirt game, go to work  
thats a perfect start  
yeah, we can do a couple of things  
money with no quarter piece, what does it mean  
Are you Beyonce's cousin, Ashanti's aunti?  
A body like that, got a butt in your jeans  
Baby girl just step in my little office  
We skaten on 28's we real Bosses  
my whips is so hot, she feel nautious  
The Desert E on deck, I'm still cautious  
I thought I told ya, I hop out the Rover  
These fly chicks love a Long Beach Soldier  
Even these whiners offer me ??  
Keep the sela ropa????? lol

Baby you're so bad  
and thats what I like  
I wanna get you home tonight  
I give you all I am  
Girl the way you movin  
You know I'ma get you, right  
Baby your so bad  
But you workin it  
Turn a act on hard to get

Girl youre so scandalous  
But I know I can handle it  
Baby Your So Bad
