It was one of those great stories
That you can't put down at night
The hero knew what he had to do
And he wasn't afraid to fight
The villian goes to jail
While the hero goes free
I wish it were that simple for me
And the reason that she loved him
Was the reason I loved him too
And he never wondered what was
Right or wrong
He just knew
He just knew
Shadow and shade mix together at dawn
But by the time you catch them
Simplicity's gone
So we sort through the pieces
My friends and I
Searching through the darkness to find
The breaks in the sky
And the reason that she loved him

Was the reason I loved him too
And he never wondered what was
Right or wrong
He just knew
He just knew
And we wonder yes we wonder
How do you make sense of this
When the hero
Kills the maiden
With his kiss
With his kiss
Well it was one of those great stories
That you can't put down at night
The hero knew what he had to do
And he wasn't afraid to fight
The villain goes to jail
While the hero goes free
I wish it were that simple
For me
Were that simple for me
