"Stay Wild"

Metal pride, burns inside
You have no need to hide, Stay Wild, Stay Wild!
Turn it up, never stop
You're living over the top, Stay Wild, Stay Wild!
Travel 'round, town to town
Nothing can keep you down, Stay Wild, Stay Wild!
Running wild, Devil's child
Nobody's gonna change your style, Stay Wild, Stay Wild!

Staying wild is what I'll do
'Cause I know this life is true
Never changed it, never will
This is my fate, this is my will

Repeat verse:

Stay Wild, Stay Wild, Stay Wild, Stay Wild
STAY WILD!!!
