Margery's dreaming of the middle of the day  
Tiyuri to win  
Perfect dozen to place  
Money is the matter that's been on her mind  
Time ticks by her one race at a time

She's tryin' to be a good girl  
And give 'em what they want  
But Margery's dreaming of horses

Lookin' at a green sky  
Sun like a red eye  
Bright blue horses are the fortune she lives by  
She's tired and lonely  
Scarred and depressed  
Her visions of one day go racing the next

She's tryin' to be a good girl  
And give 'em what they want  
But Margery's dreaming of horses

Margie doesn't say anything all the way home  
So afraid she'll awake to find she's all alone

Margery's wingspan's all feathers and coke cans, and  
TV dinners and letters she wont send, and  
Every race night is shot through with sunlight forâ€¦  
Drunken fathers and stupid mothers and  
Boys who can't tell one girl from another  
So she takes her pills  
Careful and round  
One of these days she's gonna throw the whole bottle  
down

But she's tryin' to be a good girl  
And give 'em what they want  
But Margery's dreaming of horses

Tryin' to be a good girl  
And give 'em what they want  
But Margery's dreaming of horses
