I never go to New York City these days
Something about the buildings in Chelsea just kills me
Maybe in a month or two,
Maybe when things are different for me,
Maybe when things are different for you
You know all of this shit, just sticks in my head
Is there anything different these days?
The light in her eyes goes out
I never had light in my eyes anyway
Maybe things are different these days
It's good for everybody to hurt somebody once in a while
The things I do to people I love shouldn't be allowed
Something about the buildings in Chelsea just kills me
Something about the buildings in Chelsea just kills me
Is there anything different these days?
The light in her eyes goes out,
I never had light in my eyes anyway
Maybe things are different these days
I dream I'm in New York City some nights.
Angels flow down from all the buildings

Something about an angel just kills me
I keep hoping something will
Is there anything different these days?
The light in her eyes goes out,
I never had light in my eyes anyway
Maybe things are, maybe maybe maybe
Maybe things are, maybe maybe maybe
Maybe things are different,
Maybe things are different these days
The light goes out
I never had light in my eyes anyway
Maybe things are differentthese days
