She sat right down on the sofa

I said, "Where have you been? I've been waiting for you.

Cause last night I had something so good

These days get so long and I got nothing to do"

I been hanginaround this town on the corner

I been bummin' around this old town so long

I been hanginaround this town on the corner

I been bummin' around this old town for way too long

We spend all day getting sober

Just hiding from daylight

Watching TV

We just look a lot better in the blue light

Well, you know I gotta get out

But I'm stuck so tight

Weighed by the chains that keep me...

hanginaround this town on the corner

I been bummin' around this old town too long

I been hanginaround this town on the corner

I been bummin' around this old town for way too long

And this girl listens to the band play

She says "where have you been?"

I've been lyin right here on the floor"

Well, I got all this time

To be waiting for what is mine

To be hating what I am

After the light has faded

hanginaround this town on the corner

I been bummin' around this old town so long

I been hanginaround this town on the corner

I been bummin' around this old town for way, way,

way, way, way too long
