she is trapped inside a month of grey  
and they take a little every day  
she is a victim of her own responses  
shakeled to a heart that wants to settle  
and then runs away  
it's a sin to be fading endlessly  
yeah, but she's alright with me  
she is leaving on a walkaway  
she is leaving in disarray  
in the absence  
of a place to be  
she stands there looking back at me  
hesitates, and then turns away  
she'll change so suddenly  
she's just like mercury  
yeah, but she's alright with me  
keep some sorrow in your  
hearts and minds  
for the things that die before thier time  
for the restlessly abandoned homes  
the tires and weary rambler's bones and stay beside

me where i lie

she's entwined in me

crazy ans can be

yeah, but she's alright with me
