Miller's angels in black and white

Welcome everyone in

Children dreaming of wrong and right

Wrapped in grace and in sin

They come out of the blue sky

They come out of the blue

They come out of the blue sky

But you never know where they're gonna go

Hey romeo

Miller's fingers are traveling down the length of her  
thigh

But Miller's mind is still wandering

Staring up at the sky

They come out of the blue sky

They come out of the blue

They come out of the blue sky

But you never know where they're gonna go

Hey romeo

Don't, don't come around here

Miller's angels are hovering in between the earth and  
the sun

In the shadow of god's unwavering love

I am a fortunate son

They come out of the blue sky

They come out of the blue

They come out of the blue sky

But you never know where they're gonna go

Hey romeo
