I wanted so badly
Somebody other than me
Staring back at me
But you were gone
I wanted to see you walking backwards
And get the sensation of you coming home
I wanted to see you walking away from me
Without the sensation of you leaving me alone
Time and time again
Time and time again
Time and time again
I can't please myself
I wanted the ocean to cover over me
I wanna sink slowly without getting wet
Maybe someday, I won't be so lonely
I'll walk on water every chance I get
Time and time again
Time and time again
Time and time again
I can't please myself
So when are you coming home

Sweet Angel?

You leaving me alone?

All alone?

Well, if I'm drowning darling

You'll come down this way on your own

I wish I was travelling on a freeway

Beneath this graveyard western sky

I'm gonna set fire to this city

And out into the desert

We're gonna ride

Time and time again

Time and time again

Time and time again

I can't please myself
