Found a girl she's mama's pride

I tattooed her and now she's mine

I'll make the toast you raise the glass

Just a few words to kick the world in the ass

Round and round the town

The same ol' story is told

Better lock up your daughter when the M^ottleys hit the road

We do the bad boy boogie

Bas is bad

There's a method to the madness we never kiss and tell

Have a drink on the boys

We'll entertain you in style

We're innocent in every way

Like apple pie and Chevrolet

Sweeter pies with different shapes

38-28-38

In an out of town alibis fit like a glove

Tell your daddy not to thank us

Honey, you're a labor of love

We do the bad boy boogie

Bad is bad

I got my finger in the pie

My hand in the cookie jar

It's just a lick and a promise

In the back seat of my car

There's a method to the madness

We never kiss and tell

Have a drink on the boys

We'll entertain you in style

We do the bad boy boogie

Bas is bad

I got my finger in the pie

And my hand in the cookie jar

It's just a lick and a promise

In the back seat of my car

Bad boy boogie
