You bring those tears into my

Eyes so well

I've been waiting

For this day so long

Brandon I love you you are

The one Brandon my son

You run around

And chase the clouds

I only want you

To be yourself

Forget me not

You're all I've got

As you can see you are the

One Brandon my son

Your mother gave birth to

You with love inside

She had candlelight and

Songs of life

Brandon I love you, I love her,

She is your mom

True love is ours,

Nobody else

I only want you to be yourself,

And when I'm gone

Don't cry for me

We'll always be one...you are

My son, You are the one...You

Are the one
