1)

Took my love

Into overdrive

Custom pink

Tonight you'll pay the price

When she's hot

Well damn she's hot

Electric love

Like Sandra Dee

Should have seen her dance

(Chorus)

Come on and dance

Come on baby

Come on and dance

(2)

Fast and slick

Well she's cool and clean

In a pepsi sheen

She's a leather tease

When she's on top

Well you can't be stopped

Watch her scream

Watch her suck you clean

And you should've seen her dance

(Chorus)(1)(Chorus)

You should've seen her dance

Come--on--and

Come on and dance
