Rat-tailed Jimmy is a second hand hood

Deals out in Hollywood

Got a '65 Chevy, Primered flames

Traded for some Powdered goods

Jigsaw Jimmy Hes a runnin a gang

But, I hear he's doin' O.K.

Got a cozy little job

Sells the mexican mob

Packages of candy cane

CHORUS:

He's the one they call Dr. Feelgood

He's the one that makes you feel alright

He's the one they call Dr. Feelgood

Cops on the corner always ignore

Somebody's gettin paid

Jimmy's got it wired

Law for Hire

Got it made in the shade

Got a little hideaway, does business all day

But at night he'll always be found

Sellin' sugar to the sweet

People on the street

Call this Jimmy's town

CHORUS

He's gonna be your Frankenstein

I got one thing you'll understand

He's not what you'd call a glamorous man

Got one thing that's easily understood

He's the only one the call Feelgood

Oh, Yeh

He'll tell you he's the king of these barrio streets

Movin' up from Shangra-La

Came by his wealth as a matter of luck

Says he never broke no law

Two-time loser runnin out of juice

Time to move out quick

Heard a rumor goin round

Jimmy's goin' down

This time it's gonna stick

CHORUS

He's gonna be your Frankenstein

Let him soothe your soul, just take his hand

Some people call him and evil man

Let him introduce himself real good

He's the only one they call Feelgood

I've got one thing you'll understand

He's not what you'd call a glamorous man

Got one thing that's easily understood

He's the only one they call Feelgood

Dr. Feelgood (repeat
