I'm feeling rot

I'm feeling rotten today

I _____ guess

I forgot I am shot

I'm not O.K.

So long to pain

So long to games

So long say good bye

Someone tell me why

I'm feeling cold inside

Do I wanna do I wanna die

Someone tell me why

It's building up inside

Do I wanna die and

Kiss it all goodbye

_____ I'm a sinking ship

On a sea of bliss I'm not O.K.

I _____ I'm blind to this

Is this just a test

To help me see

So long to you, so long to me

So long say good-bye
Someone tell me why,
I'm feeling broke inside
Do I wanna, do I wanna die
Can you tell my why
It's building up inside
Do I wanna die and
Kiss it all goodbye?
You're the reason
I would live.....I hope that
You can give me this...
You're the reason
So long to pain, so long to games
So long say good-bye
Can you tell me why
I'm feeling dead
Do I wanna, do I wanna die
Someone tell why
It's building up inside
Do I wanna
Kiss it all good-bye
