I don't care now what I do  
'Cause I am just a fool like you  
Get my way now everyday  
I take all I can get  
Just like you  
Just like you  
Back in ya face such a disgrace  
We're the generation swine  
A rat race from outerspace  
Gonna blow your mind  
Gotta get away  
Gotta get away  
Aggravation  
Gotta blow my brains  
Gotta blow my brains  
We're the generation  
I want more  
It's not enough  
We get our thrills  
Right from this stuff  
So my mind's a sewage sump,

It's smelling bad and out of luck

Just like you back in ya face...

Such a disgrace

We're the Generation Swine

Gimme no lip, here comes my fist

I don't need it this time

Gettin' blown away,

Gettin' thrown away

Degeneration

This here song's for you,

The doomed welcome my fools to

The Planet Boom

Thinkin' that I'll grab my space

Gun leave this place right

Now for the zoom

Gimme some space,

Get outta my face,

We're the Generation Swine

Don't need your lip,

Your ignorance

We're the generation

Always on a run,

Always on a run

New sensation

Wanna go insane,

Gonna go insane

We're the Generation Swine
