I'm on a holiday  
Hooligan's holiday

Drop dead beauties, stompin up a storm  
Lines of Hell on our face  
Bruised bad apples crawlin through the night  
Busted loose, runaway, ooh runaway

Always, always a thrill without a motive  
30 days such a haze

Everybody wants a piece of the action  
Everybody wants a piece of the pie

We're on a holiday, hooligan's holiday  
I'm on a holiday, hooligan's  
I gotta get away, hooligan's holiday  
We're on a holiday, hooligan's

Cross-eyed derelicts a-comin  
Iron horse between our legs  
Tattooed and black manes flowin  
Everyday's a holiday

Everybody wants a piece of the action  
Everybody wants a piece of the pie  
They want a piece of my

We're on a holiday, hooligan's holiday  
I'm on a holiday, hooligan's  
I gotta get away, hooligan's holiday  
We're on a holiday, hooligan's

Modern times and new blood's pumpin  
Only the strong survive (Only the strong survive)  
Everybody wants a piece of the action  
Everybody wants a piece of the pie  
I gotta get away

We're on a holiday, hooligan's holiday  
I'm on a holiday, hooligan's

I gotta get away, hooligan's holiday  
We're on a holiday, hooligan's
