Black jack roulette

Losing high and low

She rolls the dice

She's cold as ice

Turn a young man old

Comedy and tragedy

Entertainment or death

Like sister morphine

Hooked on her game

Time to place your bets

If it wasn't for bad luck

I'd have no luck at all

Keep you eye on the money

keep you eye on the dealer's hand

Keep you eye on the money

keep you eye on the lady's hand

Queen of hearts

Or Ace of spades

I'm dancing on the blade

Freak show goin' broke

The crowd screams on for more

Electric shock won't bring ya back

You've gone over the boards

Can't beat the clock, the deck is stacked

The crowd looks on in horror

If it wasn't for bad luck

I'd have no luck at all

Keep your eye on the money

Keep your eye on the dealer's hand

Keep your eye on the money

Keep your eye on the lady's hand
