They're cooking up a storm
In Hell's Kitchen tonight
And the main course could be you
Or try your hand at an Eastside stand
Dashin' slashes in a crazy human zoo
The girls shine like diamonds
In the cold steel of the night
With cash in hand you'd better understand
If you want it you can get it any day or night
(Pre Chorus)
So if you turn around
And tell me to go to hell
I'd say I know that place to well
(Chorus)
Where living is a luxury
There's a bad moon rising in the underground
Living is a luxury
Another drive-by nightmare
In this lonely town
When your blood runs cold
And your soul's on ice

Gotta run from the shadows

Of the night

The secrets told with the back alley show

It's a cold sweat, loose bet

Skin tight

Sloe gin is a fast-pace sin

In this hell below your feet

A blue sky day seems so

Far away, with another chalk

Mark on this crazy street

(Pre-Chorus)

And if you close your eyes to see

You better take a look at me

Ya

(Chorus
